Sunday Matters.

Doaksville June 25th 1842

My Dear Sir

I received your favor of the 21st inst. for which I thank you, & got home last night before dusk from the Choctaw Agency. I found my Negroes cabbins, Stables, Meat house, Gearing &c all complete. I have got the finest Crop of Corn that Blue Lewis ever saw. The health of the Country on Red River & every where is very good, and Crops look well. Red River is very high, and Judge Doak is working for his good & every day. I have not heard from Coffaman for a long while, nor Lewis since he left my son Wade Hampton told me that Mr Coffaman left Washington for his Country about the 20th of May or sooner. every thing in this Quarter is going on well. Tempranc takes the lead.

My family are all well accept of a bad cold & fever myself & family

Join in kind

Mrs Armstrong

Yours truly

A M M Upshaw

Mr Stewart the Son in law of
Mr S Wall asked Genet to have
a store on Boggy at old Mr Walls
house. Col Isaac Folsom the Chief
of that District wished his Nephew in
-law to have a Store there and
I told him he could have it, and
when you came over that he
could get his license: that was all
which. Mark is?
