§81.2. Application Procedure, Labels, and Seals.

- (a) Your application must be made to: Director, Seed Division, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711
- (b) The field inspection forms will then be forwarded to the district office in which the production field is located. When you make application, you will also forward the money for the application fee and the money for the entire inspection fee to the Austin Office. Unless otherwise provided for in the specific commodity standard, you must send in at least one foundation, registered, or certified label and one analysis label for each lot of seed purchased and used for planting the crop on which you are applying. In addition, you must send a copy of the stock purchase invoice from the seller showing the kind and variety, certification class, quantity and date of transaction for each lot of seed to be increased. Please keep adequate records to substantiate the eligibility of the seed you plant for increase.
- (c) You will need to order certification labels from the Texas Department of Agriculture, P.O. Box 629, Giddings, Texas 78942. Such labels will not be issued until the field inspection report is in the possession of the Austin Office.
