In regard to draft

Fort Tinson Dec 31<sup>st</sup> 1887

Dear Sir:

I received notice a week since that a draft for \$3000 would be remitted to me for the purpose of defraying the expenses of the survey of the Eastern boundary line of the Fortson Nation. It has not yet reached me & as I was expected to be at Ft Smith. I have thought it might have been very ~~much~~ better if you would have retained it or any other letter needed for me in my arrival at Fort Smith which will be next week about the 15<sup>th</sup> of January or later than 10<sup>th</sup>.

Respectfully & Truly  
Your friend
