Executive Department Choc Nation

To the
Hon Elias Rector
Supt Indian Affairs
So. Superintendency
Sir,

I have the honor herewith to enclose to you a copy of a resolution this day passed by the Genral Council and approved by me apprising you of the willingness of the Council to pass any amendment bill, deemed practicable, that may be asked for by any portion of the people of this Nation, in compliance with what we understand to be within the letter of your instructions in regard to our domestic troubles.

I also enclose you a copy of my message to the present session of the Council, in which I have endeavored to state the frequent efforts on the part of the Council heretofore, to appease the disaffected leaders opposed to the existing government, with the assurance that the readiness of my party friends and myself to remove all causes of dissension and promote unity among the Choctaw people formerly, has not been greater than I can say it is now.

With Consideration of highest respect
I have the honor to be Your
Most Obedient Servant
Tandy Walker
Acting Gov Choctaw Nation
