

Office Dept. Indian Affairs
 Wash. D.C. June 16. 1853.

Sir

I am in receipt of a communication from
 the Comm^r Indⁿ Affairs, inclosing a copy of a
 representation made to that Office by Stanlan and
 nine other citizens of the Choctaw Nation, that they
 had not drawn their proportion of land scrips; but
 from an inspection of the rolls on file at the Office
 Indⁿ Affs, it appears that three or four of the persons
 signing have drawn their scrips.

I am instructed, to submit the matter regarding
 the interest of the balance, to your investigation, and
 for that purpose I send you the copy rec^d. as well
 as a copy of the Acting Com^r's letter to me of the
 date May 27. 1853.

Most respectfully
 Yours

Thos. J. Drew
 Supt. Ind. Affs.
