

Office of Indian Affairs  
Washington D.C. August 1858.

Sir,

The enclosed paper, being a report of  
Rev. Dr. Robinson and the account of Mrs.  
Johnson, both written on the same piece of paper  
& being inseparably, have been returned for that  
reason; as I have been so instructed. You will  
procure for me Mrs. Robinson's separate papers,  
for his quarterly report, and Mrs. Johnson's quarterly  
account. I am also required to inform you  
that the rules of the Office of Com. & Ind. Affs.  
require that the correctness of the accounts should  
be certified to by you.

The two papers must necessarily separate  
in the proper distribution of the papers in the  
Office of the Com. & Ind. Affs.

I have the honor to be,  
Respectfully,  
Yours,

Wm. C. Smith  
Chief Clerk
