

Office Supt Ind Affs
 Fort Smith June 25th 1858

Sir:

The Creek and Seminole goods shipped
 to me by Messrs Cronin Hurshel & Sears of St Louis
 arrived here on yesterday. The freight and
 charges on the same up to this place is \$414⁸³/₁₀₀.
 The Arroyage, Commission & Storage here will swell
 the amount to probably \$500.00. There being
 no funds in my hands applicable to the
 payment of these charges. I have to request
 that you transmit to me at your ear-
 -liest convenience a draft for five hundred
 dollars to pay the same.

Very Respectfully
 Yours Obedt Servt
