Sir:

I have to return herewith for your correction  
the Bonds and Licenses granted by you to J. C. Curran

The Commission has advised that all Bonds and

in the Regulation.

The form above referred to requires the  
Treasurer in full of the principal and securities,  
and then place, or names of residence, to State  
in the Bond and License.

You will correct the same Bonds and  
Licenses and return the same to this office, in the  
mean time the Surveys &c will be returned here  
pending the return of Bonds & Licenses.
