

Office Supt Ind Affairs
Fort Smith Sept 23^d 1859

Sir:

I have the honor to transmit herewith
Estimates of funds required for the maintenance in
the Superintendency for the Texas River Indians,
Wichita and affiliated bands, made out separ-
ately for the fiscal year ending 30th June 1861.

The Estimates for the Texas River Indians
were made out principally by Supt. Chapman and
forwarded to me, and from his long experience
and connection with the Indians I presume his Estima-
ments are correct.

Those for the Wichitas I have made up
from my own knowledge of them, and know
Estimates for nothing but what is absolutely neces-
sary for them.

Very respectfully,
Wm A B Greenwood
Commissioner Ind Affairs
Washington City D C

Very Respectfully,
Yours obt Servt
