

Office of the Superintendent
Washington
July 22nd 1860

Sir,

I have just recd the ^{Indians} ~~Indians~~ State
accounts of funds placed in my hands
for the different Tribes in my Superintendency
for the 1st of Jan 1860. — I find however
that there has been no funds sent out
to pay Current & Contingent Expenses of the
Superintendency which I find me
requesting regularly for the same.
I would respectfully ask that you
have remitted to me the amount as
stated in my request for such
purpose as I am without funds under
that head of account, and of course
cannot conduct the business of my office
without it.

Very Respectfully
Olin D. Miller
Superintendent

Yours
Olin D. Miller
