

Office Capt Geo. H. H. H.
Fort Smith, Ark. 1857

Sir

Your of 18th Inst is at hand. in answer to which I have to say. that there has been no limitation of funds to this office since I saw you for the first time.

I presume your enquiry relates to the money appropriated by the Council to the Seminars and Academies. by the arrangement made by the State Council the \$8000 usually drawn from the School fund of \$20,000 to pay of members of Council. was not drawn from that money but was taken from the other money turned over to the Treasurer - which left all the School fund yet sent out in this office except what was paid over when we were over. what arrangement leaves on hand perhaps \$2000.

A cent amount to pay the 4th yr of the Academies for the present year. you will therefore please forward the receipts properly signed and I will pay them on presentation. I would be pleased if you could forward them at an early date.

I am, Sir, very respectfully,
Yours, &c.
