

Office Supt. Ind. Affairs
 Fort Smith, Sept 10th 1859

Sir:

As directed in your letter of 29th July last I
 herewith transmit Estimate for Isaac Murray
 for Current and Contingent Expenses of the Superin-
 tendency for the present year.

You will see that these Estimates are less than
 amount asked for by me in my letter of 19th July
 last, as many of the Expenses have been of greater than I
 have ~~thought~~ supposed.

As the amount herewith estimated for is abso-
 lutely necessary, I hope the Department will remit
 the balance of \$3,400, the amount heretofore remitted being
 paid at as early a day as practicable.

Very Respectfully
 Yours obt Servant
